

From Today's Gospel Readings: Twenty-Fifth Sunday in Ordinary Time

"Are you envious because I am generous?"

Reflection:

In light of the God revealed in this parable we are challenged to act towards others as God has acted towards us. God has passed judgment, paid the laborers their wages – compassion and grace. Now, we are called to do likewise, go into the vineyard and practice generosity of heart towards others, even if we do not think they have earned it.
