

From Today's Readings:

Third Sunday of Lent

Jesus reveals the righteous anger God feels when what is good and intended to help people gets infiltrated by human greed. While mercy is always available to those who seek it, still we cannot forget Jesus' indignation when he meets injustice and any restrictions on those seeking God.

Is there a welcome atmosphere at my parish church as people enter the building? Do I go out of my way to introduce myself to people at church and welcome them if they are visitors?
